

Jenni Aaltonen

SOFTWARE TESTER

Software tester with four years of experience in mobile and embedded systems. I write test cases developers actually read, and I automate the boring parts with Python and Robot Framework.

WORK EXPERIENCE

Test Engineer

Mobile Tech Ltd, Oulu — 2022–

- Reduced regression testing time from 3 days to 6 hours with Robot Framework
- Test lead for two Android releases
- Introduced exploratory testing sessions, cutting escaped defects by a third

Junior QA Specialist

Software Consulting Ltd, Oulu — 2021–2022

- Manual and API testing for three client projects
- Wrote the team's first test strategy document

IT Support Trainee

City of Oulu — 2020 (summer)

- Device setup and first-line support for 300 users

EDUCATION

Bachelor of Engineering, Information Technology

Oulu University of Applied Sciences (Oulun ammattikorkeakoulu) — 2017–2021

CERTIFICATIONS

ISTQB Certified Tester, Foundation Level
